To whom it may concern,

I wish to express my strong opposition to the proposed judgement posted here:

<http://www.usdoj.gov/atr/cases/f9400/9495.htm>

and here:

<http://www.usdoj.gov/atr/cases/f9500/9549.htm>

For the better part of 20 years, Microsoft has willfully taken part in the destruction of small companies with lower legal budgets.

If they keep running our best minds out of business, pretty soon it will be Alfred E. Newman coming up with our "great ideas".

I respectfully request that the proposed judgement is thrown out in favor of a much more restrictive solution.

Sincerely,

Joshua Fritsch
